

VOLTA

CORPORATE MEMBERSHIP

PEOPLE

Develop knowledge, skills and connections that will help your company embrace innovation and drive growth.

ENGAGEMENT

Create opportunities through programs and advisory services that help your organization engage the innovation ecosystem.

SPACE

Reward employees and host clients with access to co-working and event space at one of Canada's premier innovation hubs.

RECOGNITION

Demonstrate commitment to innovation with brand exposure and unique marketing opportunities.

Join a community of innovators

Connect your organization to the fast growing startup and innovation ecosystem with Corporate Membership at Volta.

Reward and develop your employees, help your organization engage talent and startups, and give your company access to Volta's new space – all while being recognized for supporting entrepreneurship and innovation.

We have packages designed to suit the needs of companies at every stage of the innovation journey. Discounts are available for Volta Alumni companies and non-profit organizations.

Innovation Evaluation

We'll work with you to uncover the ways your organization can embrace innovation and create positive change.

Programming and Training

Develop the methods and mindsets to improve your team's capacity to innovate.

Networking

Through various discussions and events, get to know the change makers and innovators in the ecosystem.

Tickets to Volta Events

Participate in the innovation community at premium Volta events, such as Cohort or Innovate Atlantic.

Network Memberships

Your employees will experience all that Volta has to offer – from co-working space to socials, and more.

Ecosystem Education

Learn how Atlantic Canadian organizations and programs can help your company innovate and grow.
