

NETWORK MEMBERSHIP

A CONVENIENT WAY TO TACKLE YOUR BUSINESS DEVELOPMENT GOALS

Network Membership offers our community of innovators, tech enthusiasts and entrepreneurs a safe place to work, learn, and connect in our Co-Working Space on the Lobby Level, and/or on Mezz, depending on your plan type.

Equipped with meeting rooms, private phone booths, high speed internet and plenty of space to work, Network Members also receive free or discounted rates on Volta events such as Lunch + Learns. Our Co-Working Space is open Monday through Friday between 9am and 5pm, with Sine Coffee Labs conveniently located in the same space.

Network Memberships are ideal for entrepreneurs, students, remote workers, freelancers, mentors and founders/employees of tech-enabled startups for a fee each month. See below for different membership options.
